

MRS. AMOS I. HADLEY
WAYLAND, MASSACHUSETTS

Dec. 9 1941

Mrs Elizabeth Raymond Sec.

Please accept my resignation
as a member of the board
of trustees of the Wayland
Public Library effective
Dec 10 th 1941—

Respectfully

Amos I. Hadley

Dear Mrs. Morgan:

Will you kindly
extend to the Library Trustees,
my sincere appreciation
for the privilege of exhibiting
my pictures in the Wayland
Public Library.

I feel it was a success for me, and
hope it created interest on the
part of the parents of the school
children and other townspeople.

Your Librarian, Miss Buchanan
was most helpful and interested
at all times.

She has several plans for
activities that should arouse
interest in the fine collection
of art books that are available
to the townspeople.

I shall be interested to see

how these projects develop
and hope that I may
be assisted in
furthering the success of
the enterprise.

Sincerely

Marguerite Gaslee

Dear Sir:

Do you have available a copy of an historical pamphlet of the founding and development of the Free Public Library in Wayland which can be sent to me? I have a serious interest in the earliest phases of the public library movement in America. Your courtesy to me will be very much appreciated.

Very truly yours,

Time of Meetings (Trustees)

Mrs. Charles Morgan,
Wayland, Massachusetts.

Dear Helen:

At the meeting last week I brought up the subject of irregular attendance and those present decided that certainly there was a goodly amount of confusion as to what was or what was not the regular night and when they did not receive a notice they just didn't figure there was a meeting. In the absence of Helen Morgan, therefore, I am taking the liberty of reminding you that the regular meeting is always held on the Wednesday before the first Monday of every month, Sidney has requested Miss Ferris to mail out the notices during Helen's sojourn in Florida but notice or no notice if we all keep the date in mind the attendance will improve.

Sidney also suggests that until further notice there will be a second meeting and this will take place on the second Wednesday after the regular meeting. He hopes that at that meeting, inasmuch as we will be free of the routine matters, we can devote more time to matters of policy. So, therefore, it's the Wednesday night before the first Monday of every month and then again two weeks later.

Sincerely

Hugh

Mr. Roger P. Stokey

Wayland, Mass.

Dear Roger:

At a meeting of the Board of Selectmen held May 6, 1957, the Board voted with the unanimous vote of the remaining members of the Trustees of the Public Library, to appoint you a Trustee of the Public Library until the next annual election.

As you probably know this vacancy was created by the resignation of Mr. William R. Hulbert, one of the trustees.

Wishing you success and enjoyment in your appointment, I remain

Very truly yours,
